for the better,
Be a part of it.

Professional Liverpool is a hugely respected organisation; an organisation that is contributing massively to the Liverpool City Region's growth, evolution, ambition and success. And when this region succeeds, so do its businesses. And vice versa.

Being a sponsor of Professional Liverpool gives your business access to a community of like minded, ambitious, experts who get things done.

People see Professional Liverpool and its members as the change facilitators, empowering and *enabling innovation, entrepreneurial thinking and commercial savviness.*

And we do that through our own expertise and through the incredible talent, experience and strategic vision of our members. With this comes unique sponsorship opportunities.

Positioning you as a key player within this hub of activity, throughout our events, our networking, our knowledge transfer, our communications, our best practice sessions and key opinion leaders speaker slots.

Working with Professional Liverpool, you become key drivers in this city region's evolution. Our influence within the city region is strong, and growing stronger. We have a seat at the table with all key stakeholders – Growth Platform, LCR Combined Authority, LCC and other local authorities. Our opinion is welcomed, valued and valid. So, we can represent our members, bring their talent and expertise in and together we can all shape the future of this fantastic city region we work in.

Be more
than just
a name on
a banner.

For those who share our ambitions, our beliefs and our desire to change for the better, there is no better organisation to be a part of.
